Eric Stevens stated that last summer a signature petition was presented to the City Commission for the approval of medicinal cannabis, and subsequently they drafted a Resolution. In the meantime, the City had issues with corruption and payoffs, and they did not want to push the issue. Now they want to bring back the petition; they have gathered over 8,000 to 9,000 signatures from residents, and he asked the City Commission if a straw ballot question in November can be placed on the issue. He explained that medical cannabis has been passed in 18 states and users that travel to Florida are afraid to be arrested for bringing their medicine with them.</p> <p>RECOMMENDATIONS: A referral to the Neighborhood/Community Affairs Committee (NCAC) the issue of placing a straw ballot regarding medical marijuana.
