- III. Approval of October 8, 2018 Meeting Minutes: Moved by JP Morgan, seconded by R. Streim, all in favor/none opposed passed
- IV. Follow Up Discussion Committee Reaching out to Respective Mayor/Commissioner re: Trolley Advertising: Discussion held; motion passed

JP Morgan moved that the Transportation, Parking and Bicycle-Pedestrian Facilities Committee strongly disagrees with the City's effort to go forward with the agreement by the City Commission to allow advertising on the exterior of the City's trolleys. The Committee asks that the Mayor and Commission reconsider their position on advertising on the City's trolleys. Feedback from several Commissioners, Residents, and Community Associations throughout the City, confirm that they are against this as well. The Committee is not opposed to advertising in the interior of the trolley, but feel advertising on the exterior is a huge mistake to these iconic vehicles; seconded by R. Breslin, one opposed (R. Lansburgh), motion passed (LTC #596-2018)
