— *The free cultural series brings a new slate of family-friendly entertainment to a massive outdoor projection wall* —

Miami Beach, FL – The SoundScape Cinema Series arrives back in Miami Beach for its 15th season beginning this October through May. This season’s lineup features all new weekly movies that will be projected onto a 7,000-square-foot wall outside New World Center via a state-of-the-art projection and sound system in SoundScape Park.

“This is truly an exceptional outdoor theater experience,” explained Miami Beach City Manager Eric T. Carpenter. “We invite our residents and visitors to discover one of the city’s most popular cultural experiences in SoundScape Park.”

The visual and audio system is capable of projecting movies at a resolution that is multiple times greater than high definition.

A different movie will be shown each Wednesday at 8 p.m. on the southwest corner of Washington Avenue and 17 Street. The season debuts on Oct. 2 with music biopic “Bob Marley: One Love” followed by “Ghostbusters: Frozen Empire” on Oct. 9, “The Garfield Movie” on Oct. 16, “Hocus Pocus 2” on Oct. 23 and 1931 Halloween classic “Dracula” on Oct. 30 starring screen legend Bela Lugosi.
