FOR IMMEDIATE RELEASE

Nov. 21, 2024

Miami Beach Becomes the Capital of the Art World

— Enjoy Public Art, Programming and Special Events for
Art Week Miami Beach from Dec. 2 – 8, 2024 —

Miami Beach, FL — The City of Miami Beach looks forward to welcoming visitors from around the world for the 2024 edition of [Art Week Miami Beach from Monday, Dec. 2 to Sunday, Dec. 8](#). The week will be packed with opportunities to engage in art and culture around the city, with public art installations, one-of-a-kind exhibitions, captivating events and glamorous parties. Always fresh and exciting, Art Week Miami Beach will transform the city's seven miles of pristine beaches, world-class hotels, and award-winning restaurants into an artistic playground for residents and visitors alike.

“Art Basel Miami Beach is a signature event and we look forward to it each December,” said **Miami Beach Mayor Steven Meiner**. “Art Week is more than a showcase; our city becomes a global canvas, welcoming residents and visitors to experience the creativity and cultural depth that define Miami Beach.”

Art Basel Miami Beach will feature 285 leading international galleries from 38 countries, starting with Preview Days on Dec. 4 and 5, followed by Public Days from Dec. 6 to 8 at the Miami Beach Convention Center. Around two-thirds of the exceptional exhibitors this year are based in the Americas, joined by galleries from Europe and Asia. Thirty-four galleries will be exhibiting at the fair for the first time, bringing new perspectives to this important moment for the art world and for the City of Miami Beach. This year's edition will see the return of the fair's Conversations program, which is free and open to the public.

The City of Miami Beach will also curate its own public exhibitions during Art Week Miami Beach, including along Española Way and in 12 hotel lobbies across the city.

[Elevate Española](#) will present *Sundial Spectrum*, a site-specific art installation and mural by Miami-born artist Jen Stark on Dec. 3 at 1 p.m. on Española Way between Washington and Collins avenues. The work will feature 13 sculptural panels fabricated from clear acrylic sheets, layered with laser-cut transparent vinyl — showcasing Stark's signature spectrum of bold colors. Inspired by geometry and natural forms, the hypnotic patterns will interact and shift throughout the day. As sunlight filters through, viewers will find themselves surrounded by rainbow shadows along Española Way.

The piece is the seventh installment of Elevate Española, a temporary public art program launched by the city in 2022, which aims to enhance the corridor and encourage pedestrian connectivity to Ocean Drive.

Other highlights of Art Week Miami Beach include the fifth edition of the city-produced and curated [No Vacancy, Miami Beach](#), a juried art competition that supports and celebrates local artists, provokes critical discourse and encourages the public to experience Miami Beach's famed hotels as art destinations. Once again, 12 participating artists and collectives will present site-specific works at 12 different hotels around the city. Funded in partnership with the Miami Beach Visitors and Convention Authority, this year's art competition features \$35,000 in prize money, including a \$10,000 public prize presented by the Greater Miami Convention & Visitors Bureau and a \$25,000 juried prize to be decided by nationally recognized art experts. Each artist received a \$10,000 stipend to create their installation at an assigned hotel. The installations are available for viewing now through Dec. 12.

The **Art Basel Legacy Purchase Program** will return for its sixth year with previously acquired works by artists Sanford Biggers, Amoako Boafo, Ebony G. Patterson, Farah Al Qasimi, Juana Valdes and Anneke Eussen on behalf of the residents of Miami Beach. The annual program tasks the city's Art in Public Places Committee with selecting three world-class pieces of artwork from the emerging artists of the Art Basel Miami Beach Positions and Nova Sections with a \$50,000 budget. The city then asks the public to vote for its favorite, and the winning artwork will be purchased by the City of Miami Beach to go on permanent display in the Miami Beach Convention Center.

GETTING AROUND

This year's installment of Art Week Miami Beach will for the first time include complimentary water taxis connecting Miami Beach with downtown Miami, along with a fleet of free, dedicated shuttle buses designed to transport visitors and residents to a variety of art fairs.

Water Taxi Service

Four water taxi vessels will operate across beautiful Biscayne Bay from Wednesday, Dec. 4 to Saturday, Dec. 7 from 10 a.m. to midnight, and on Sunday, Dec. 8 from 10 a.m. to 10 p.m. The

water taxi service will run every 15 minutes between Maurice Gibb Memorial Park (1790 Purdy Avenue) in Miami Beach and the Venetian Marina & Yacht Club (1635 North Bayshore Drive) in Miami.

Art Week Dedicated Shuttles

A series of free, dedicated shuttles linking the water taxi and several art fairs will run every 15 minutes throughout Miami Beach to connect visitors and residents with several art fairs. Shuttle operating hours will mirror the water taxis, and can be tracked in real time on the Art Week Miami Beach website at www.artweekmb.com.

Outer Loop Art Week shuttles will travel to/from Miami Beach to Miami with stops at Miami Beach Convention Center Drive between 17 and 18 streets as well as Royal Palm Avenue between 41 and 42 streets. The two Miami stops are at NE 29 Street and N Miami Avenue as well as NE 38 Street and NE 1 Avenue.

Inner Loop Art Week shuttles will travel within Miami Beach to/from locations in South Beach, the Miami Beach Convention Center, the water taxi stop at Maurice Gibb Memorial Park and Mid Beach. South Beach stops include Collins Avenue between 10 and 11 streets, Convention Center Drive between 17 and 18 streets as well as Collins Avenue and 22 Street. Mid Beach stops include Royal Palm Avenue between 41 and 42 streets, Collins Avenue and 46 Street, Collins Avenue and 32 Street as well as the water taxi at Purdy Avenue and 18 Street, adjacent to Maurice Gibb Memorial Park.

A dedicated **Water Taxi Connector shuttle** will operate between the Miami Beach water taxi stop at Maurice Gibb Memorial Park (1790 Purdy Avenue) and the Miami Beach Convention Center (Convention Center Drive between 17 and 18 streets).

Park and Ride

The city will provide free shuttles and water taxi service to and from designated pickup and drop-off locations in the immediate vicinity of various parking garages in Miami Beach and Miami.

The designated shuttle pickup and drop-off locations in Miami Beach are as follows:

- Royal Palm Ave. between 41 and 42 streets serving the 42 St. Garage (4049 Royal Palm Ave.)
- Convention Center Dr. between 17 and 18 streets serving the 17 St. Garage (640 17 St.), Pennsylvania Ave. Garage (1661 Pennsylvania Ave.) and Miami Beach City Hall Garage (1755 Meridian Ave.)
- Purdy Ave. and 18 St. serving the Sunset Harbour Garage (1900 Bay Rd.)

The designated shuttle pickup and drop-off location in Miami is as follows:

- NE 38 Street and NE 1 Ave. serving the City View Garage (25 NE 38 Street), Palm Court Garage (155 NE 38 St.) and Public Parking Lot (3630 NE 1 Ct.)

The designated water taxi pickup and drop-off locations in Miami Beach/Miami are as follows:

- Miami Beach - Maurice Gibb Memorial Park (1790 Purdy Ave.) serving the Sunset Harbour Garage (1900 Bay Rd.)
- Miami - Venetian Marina & Yacht Club (1635 North Bayshore Dr.) serving the Omni Garage (453 NE 15 St.)

[Click here](#) to view a detailed map of the various free shuttle and water taxi routes as well as Park and Ride locations.

Miami Beach Trolley & Bicycle Options

Residents and visitors can also take advantage of the year-round free [Miami Beach Trolley](#), which connects various neighborhoods, as well as [Freebee](#) services. The Miami Beach Trolley service will operate at an enhanced frequency of service from 8 a.m. to midnight each day, to help reduce the anticipated traffic congestion. Download the [Transit app](#) to track specific trolleys in real-time.

Biking and micro-mobility enthusiasts will find miles of beachwalk, green bike lanes and convenient bicycle parking throughout Miami Beach. View the city's [bicycle parking maps](#) for more information. Additionally, [Citi Bike](#) offers more than a thousand bicycles, including electric-assisted bikes, at conveniently located bike sharing stations throughout the city.

Miami-Dade Transit also offers [Metrobus service](#) to and from the mainland. The closest taxi, ride-share and valet locations to the Miami Beach Convention Center will be on the east side of Convention Center Drive north of 18 Street and on the west side of Washington Avenue between 20 and 21 streets and also south of 18 Street.

Peak Travel Times

The heaviest traffic during Art Week Miami Beach typically occurs on weekday afternoons with congestion increasing closer to the weekend. Traffic congestion leaving Miami Beach can be exacerbated by traffic or incidents on major thoroughfares outside of the city, including I-395, I-195 and I-95. The Florida Department of Transportation's (FDOT) ongoing road work and lane reductions near the Biscayne Boulevard off-ramp in downtown Miami is expected to impede westbound traffic leaving Miami Beach along the MacArthur Causeway. A citywide construction moratorium will suspend all non-city construction-related activities within the city's right of way throughout the week — prohibiting road, sidewalk and lane closures.

To reduce congestion along the Venetian Causeway connecting downtown Miami and Miami Beach, the east Venetian Causeway drawbridge will be on lockdown and will not open to vessels from 3 p.m. to 8 p.m. on Wednesday, Dec. 4 through Saturday, Dec. 7, and from 3 p.m. to 7 p.m. on Sunday, Dec. 8 and Monday, Dec. 9, except emergency vessels and vessels in distress.

The city plans to implement special event signal timing changes and other traffic management measures, as needed, along major thoroughfares with an enhanced level of traffic monitoring for Art Week Miami Beach. This will include 17 hours of traffic monitoring, from 7 a.m. to midnight on Wednesday, Dec. 4 through Saturday, Dec. 7. Beyond those dates, the traffic monitoring services will continue from 7 a.m. to 9 p.m. Traffic monitors will coordinate with the Miami Beach Police Department (MBPD) to enforce traffic regulations at intersections while keeping motorists informed of delays through digital message signs. The city will proactively communicate with

Waze, Google and Inrix to accurately reflect all street closures on their respective mobile platforms in real-time.

In addition, the city will issue traffic text alerts as warranted to notify the public of major roadway incidents. Subscribe to receive traffic text message alerts by texting MBAlert to 888777. City staff will work closely with the FDOT SunGuide Traffic Management Center to program traffic messages on overhead digital message signs along I-95, SR 112/I-195 and SR 836/I-395 regarding any major incidents affecting traffic flow on Miami Beach causeways.

PUBLIC SAFETY

To enhance public safety, MBPD will significantly increase its staffing levels from Wednesday, Dec. 4 through Sunday, Dec. 8. In a concerted effort, officers will be deployed for additional shifts, including overtime and off-duty. Their strategic placement along key intersections in and around events, as well as in residential neighborhoods surrounding the Miami Beach Convention Center and along the 41 Street corridor, aims to ensure attendees' safety and address potential traffic challenges.

MBPD officers will be assigned the task of strategically reducing instances of cut-through traffic within residential areas. By encouraging drivers to utilize main thoroughfares, the city aims to minimize disruption to local neighborhoods. MBPD's Public Safety Specialists will be strategically posted to assist with traffic mitigation.
