Rates Per vehicle fueling Position also apply to gas stations and service stations with fuel pumps. The fee for any restaurant square footage, seating or drive-thru in a convenience store will be based on the individual fee rate for the land use, not the convenience store rate.</p> <p>8 Bank building square footage falls under office and is an additive fee beyond the fee due for bank/ATM drive-thru lanes or free-standing ATM's. These rates are per drive-thru lane for the bank and per drive-thru lane with an ATM. The freestanding ATM is for an ATM only and not an ATM within or part of another non-financial building, such as an ATM within a grocery store</p>
